

CREATIVE ARTS WORKSHOP AUGUST INSTALLATION: 2010 SUBMISSION GUIDELINES

The August Installation is a unique opportunity for installation artists to exhibit in the Hilles Gallery of Creative Arts Workshop (CAW). While the Workshop is closed to the public during August, the August Installation is on view to the public through the two-story windows that front Audubon Street.

SUBMISSION GUIDELINES

Submissions should include a written proposal, resume, artist statement and images of work completed within the last two years. If you have a specific idea of what your completed installation will look like, CAW's Gallery Committee recommends that you submit representative drawings or images in your proposal. Preference will be given to new work not previously viewed in the New Haven area.

As this is a site-specific installation, we recommend that you visit during gallery hours to view the space. Gallery floor plans are available upon request.
